Subject: request for episodic telecommuting today

Hi Douglas,

I ended up working longer yesterday finishing up my review of the Fort Peck nitrogen injection permit app, so I have an even shorter day today. I was hoping I could telecommute today.

I will work on:

Reading over my review of the Fort Peck nitrogen injection permit app and sending my comments to Tricia and Martina with next steps listed.

Cadmus invoice review & reports

Review Utah copper ISR info

Edit my Dewey-Burdock presentation for tomorrow.

We have our call on the Cadmus response to comments task at 2:00.

OK?

Thanks!

Valois
